LETTER

Dear Examiner Peeso:

The enclosed Request for Continued Examination and accompanying Suspension of Action regarding the above-identified application requested under 37 CFR 1.103(c) is being made in order to provide applicant sufficient time for submission of a new Combined Declaration and Power of Attorney.

Applicant's attorney discussed with Examiner Peeso during a telephone interview on October 10, 2006 an issue concerning the Notice of Allowability in that it did not contain an acknowledgement to foreign priority under 35 USC §119.

I hereby certify that this communication is being deposited with the United States Postal Service today, **October 19, 2006**, in an envelope with sufficient postage as first-class mail addressed to the Commissioner of Patents, Mail Stop: RCE, P.O. Box 1450, Alexandria, VA 22313-1450.

It was also discovered that the Declaration filed by the applicant on 31 October 2003 did not identify the international application and priority application through a clerical error. Examiner Peeso suggested that an RCE be filed in order to provide time for submission of a new Combined Declaration and Power of Attorney and for the Office to properly acknowledge the priority claim under 35 USC §119.

Applicant has subsequently received from the Office a Priority Acknowledgement which indicates receipt of priority documents under 35 USC §119.

The accompanying suspension request will provide the necessary time for submission of the new Declaration.

Respectfully submitted,

Alfred A. Fressola
